March 19, 1964

The Honorable Joe L. Evins  
House Office Building  
Washington, D. C.

Dear Congressman Evins:

It is my understanding that a House Subcommittee has been studying a bill to amend the National Defense Education Act. to provide \$15,000,000 in Federal funds over a three year period for experimentation in shared time. This is a program whereby children take some courses in a public school and others in a parochial school.

This legislation could be of utmost importance to plans which this congregation has for a christian day school.  
We send you our best regards.

Fraternally yours,

John Allen Chalk
